"You have laid a strong foundation with students. I love that you are setting them up for success"

~ Lettie Gonzalez
Principal

"My husband and I are praising God right now. We are so proud of him and thankful to God that you are his teacher" (after receiving STAAR results)

~Jennifer Gordon
Parent of Student with Learning Disabilities

"I have seen Robin take a fourth grade, Katrina Refugee, nonreader, looping with his class to 5th grade teaching him to read fluently; she is personally following his progress (through his family) to know that this young man is now at the top of his class in high school. Impressive!"

~Victoria Campbell
5th Grade Teacher

"Mrs. Clingerman does whatever it takes to help all the kids in the grade level not just her students"

~Erin Francis
English teacher

"No child is unteachable or unreachable. It is my job to create the ultimate connection to make learning the most enjoyable journey possible for all students. "
